**COMMUNITY** Great Neck is a residential community of some 40,000 people on the North Shore of Long Island, in Nassau County, within easy commuting distance of Manhattan. Great Neck residents, typically well-educated, are concerned about education and have high expectations for their school system.

---

**SCHOOLS** About 6,490 students, grades K–12, attend the Great Neck Public Schools. There are three high schools: North, South, and Village (a small alternative high school), and SEAL Program, an alternative high school. There are two middle schools and four elementary schools. Our students have diverse backgrounds; they come from over 40 countries and represent a broad socioeconomic range. Approximately 1,100 students are enrolled in North High School for 2016–17. The Great Neck school district has, from its inception, offered a highly academic, enriched, and comprehensive program.

---

**NATIONAL RECOGNITION** National publications consistently and historically have included Great Neck North High School among the top secondary schools in the country. These publications have based their conclusions on surveys of groups such as college admissions officers, the Carnegie Foundation, the Institute for Educational Leadership at the George Washington University, and the National Association of Secondary School Principals, as well as on standardized measures of student performance, such as Advanced Placement (AP) and New York State Regents exams.

---

#### STUDENT ACHIEVEMENT

North High School Class of 2016 New York State Regents achievements:

- 98 percent earned a Regents Endorsed Diploma
- 69 percent received a Regents Advanced Diploma
- 39 percent received a Regents Advanced Diploma with Honors (achieving an average of 90 or better on eight exams)

Great Neck Public School students are required to sit for the Common Core Regents examinations, with no option to take traditional Regents exams. Although Common Core Regents' scores were comparatively lower and many districts gave students a choice of which Regents exam to take, our district deemed the Common Core curriculums and corresponding exams to be more educationally sound and in the best interests of our students.

Our students continue to garner awards on the local and national levels including:

- American Invitational Math Exam
- American Mathematics Contest
- Character Matters
- Intel Science Talent Search
- Lincoln Center Chamber Music Concert
- Music competitions
- Natl Council of Teachers of English
- Natl foreign language exams
- Natl Foundation for the Arts
- Research in social sciences
- Siemens Westinghouse Competition in Math, Science, and Technology
- Writing competitions
- Young artists competitions

---

**CURRICULUM** We offer Advanced Placement (AP), Honors, and Regents courses; career training; English as a New Language (ENL); and remedial and special education.

- Community School, a highly academic English, social studies, and human relations program, has provided an alternative approach to learning for over 40 years; it is a recognized model for a student-centered community education environment.
- Independent Study program provides the opportunity for students to pursue their own academic interests.
- All seniors are required to do community service as part of their social studies program.
- An accomplished orchestral, band, and choral music program has earned local, state, and national honors.
- Our Science Research program has promoted science research and education in our school and earned a plethora of local, state, and national awards.
- We are equally proud of initiating the district-wide special education program, ACE (Academic and Career Education).
- 24 AP courses are offered—all students enrolled in AP courses are required to take AP exams.

**CUMULATIVE AVERAGE**

The cumulative average, computed at the end of eleventh grade, includes all subjects in which a student received a final numerical grade. **There is no weighting of grades for honors and advanced placement courses.**

**CLASS RANK**

In accordance with Great Neck Board of Education policy, **students are not ranked by cumulative averages relative to their classmates.** A distribution of cumulative averages for the North High School Class of 2017, computed at the end of eleventh grade, follows.

**DISTRIBUTION OF CUMULATIVE AVERAGES**

**SENIOR PROGRAMS** Faculty, students, and administrators have worked together to create innovative programs that provide seniors with a college-level seminar experience, challenge them intellectually, demand higher-level thinking and writing skills, and integrate learning through thematic studies. Most importantly, these programs recognize seniors as young adults on their way to college and expect a consequent level of maturity and responsibility from them.

**CITIZENS OF THE WORLD** is a two-credit program that fulfills the twelfth-grade English and social studies requirements. It utilizes an interdisciplinary approach to help students appreciate the diversity of human experience and understand the worldwide forces that affect their lives. This course explores current global trends in political, economic, and social mores that influence the world in which we live.

**REFLECTIONS** is a three-credit, humanities-based program with a community-service component. The week is divided between interdisciplinary studies and community-service activities. The curriculum thematically explores issues of Europe and the United States from the nineteenth to the twenty-first centuries through various readings and the arts. Students participate in an ongoing community-service activity twice weekly. Each student selects a nonprofit organization of particular interest and commits to the organization for the entire year.

**SENIOR SEMINAR** is a three-credit program that combines English, social studies, art and business. In this interdisciplinary seminar, students investigate the theme of American identity. Students are exposed to novels, short stories, poems, and essays of the twentieth century. To complement the literature, there is extensive research on the historical, political, social, and business issues of each decade. Students engage in internships in the spring semester or complete an in-depth independent study project.

**STAGES** is an interdisciplinary program developed by the music, drama, English, and social studies departments for seniors who have a strong interest and demonstrable ability in some aspect of the performing arts. This three-period, three-credit program meets the English and social studies requirements and grants an elective credit. Emphasis is on the examination, analysis, and creation of music and drama, on the processes inherent in the composition of theatrical material, and on the development and execution of a performable piece. Students study literature, style, politics, economics, history, and the relationships among these disciplines.

---

**EXTRACURRICULAR PROGRAMS** Eighty-five percent of our students participate in extracurricular activities.

**ATHLETIC TEAMS.** Students compete on 45 interscholastic teams, including: badminton, baseball, basketball, bowling, cross-country, fencing, field hockey, football, gymnastics, lacrosse, soccer, softball, swimming, tennis, volleyball, and wrestling.

**CLUBS AND PROGRAMS** include, but are not limited to: athletic leadership, Battle of the Classes, debate-forensic teams, Fashion Show, Find the Cure, Habitat for Humanity, Homecoming, Key Club, Kilties, Math Team, Mock Trial, Model Congress, Model UN, Overture, Peer Drug Educators, photography, real estate/investment, Relay for Life, SADD, Student Organization, and Unity Day.

- Artfest, held annually, displays a year's worth of commitment in the performing and visual arts.
- Fine Arts and Performing Arts produce outstanding plays, musicals, concerts, and exhibitions in venues ranging from North High to Carnegie Hall and Disney World.
- Journalism opportunities feature eight publications, several of which earn local and national awards.
- Peer AIDS-education, an acclaimed program, in which students, trained in AIDS education by the professional staff of a hospital, plan and implement programs for the entire school.
- Peer Leadership involves about 100 juniors and seniors who are trained in required classes to facilitate groups, be mentors to younger students, and leaders in the school.
- Peer Mentoring connects high school mentors with at-risk middle school students.

---

**ACCREDITATION & INSTITUTIONAL MEMBERSHIPS** Great Neck North High School is accredited and certified by the New York State Education Department. The school holds institutional memberships with the College Entrance Examination Board, the National Association of College Admissions Counselors, the National Association of Secondary School Principals, and the Association for Supervision and Curriculum Development.

---

**COUNSELORS** All counselors, except the department head, have caseloads of approximately 180 students. The vast majority of students work with the same counselor for all four years of high school in all facets of guidance-program activities, from personal counseling to academic planning and college counseling. Students meet with counselors individually and in small groups for a variety of purposes throughout the academic year.

---

**VISITS BY COLLEGE ADMISSIONS REPRESENTATIVES** College representatives are always welcome in our school to meet with counselors and interested students. "Mini-College Days" are held regularly. Schedules for these events are available each spring for the following year. They can be obtained by contacting the guidance office.
