

# Attend a Wesleyan Open House

*with the Transportation Assistance Program*

The Transportation Assistance Program (TAP) provides an all-expenses-paid visit to campus for a select number of high school seniors interested in attending one of Wesleyan University's annual Open House programs. Preference is given to applicants who otherwise would not be able to afford a visit to campus.

During the visit, students will have the opportunity to visit classes, meet students and faculty, learn about the admission process and financial aid opportunities, and explore the campus community.

To apply for TAP, students must submit the online application and all supporting materials by the appropriate deadline.
